# CAPNE CONFERENCE 2010

Expanding your horizons...

grounding our future.

Assiniboine Community College is honoured to host the 10<sup>th</sup> Annual Canadian Association of Practical Nurse Educators Conference. Join us October 4<sup>th</sup> to 6<sup>th</sup>, 2010 for this landmark event to present and share ideas and practices with fellow practical nurse educators from coast to coast.

2010 marks the 10th anniversary for the establishment of the CAPNE association, and along with the regular conference program we will take some time to celebrate our successes over the past decade. This year's topic: Expanding Your Horizons... Grounding our Future in nursing education will look at how we incorporate the ever increasing technology while maintaining caring aspects of nursing.
