Nicola Valley Institute of Technology <i>Merritt & Burnaby</i>	Aboriginal Literacy Program Level 1 through to ABE/College Readiness to an Adult Provincial Diploma. General Educational Development (GED) is tied to the Law Enforcement program.	Bridging to health and trades program allows students to get grade 12 and enter a career choice. In trades they are introduced to 8 different trades through a mobile trailer unit that is taken to Aboriginal communities. Once the students complete the Bridging to trades, they are encouraged to attend their local institution for entry into trades or apprenticeship. In health, bridging students enter into the Long Term Care Aid Program which ladders into the Licensed Practical Nurse (LPN) Diploma Program.	<u>College Readiness and B.C. Adult Graduation Diploma</u> <u>18 Career Training Programs:</u> Aboriginal Community Economic Development Certificate and Diploma Aboriginal Community & Health Development Certificate and Diploma Aboriginal Early Childhood Education Certificate and Diploma Aboriginal Human Services Diploma Access to Practical Nursing Certificate Bridging to Trades Business Administration Certificate and Diploma Chemical Addictions Worker Certificate & Diploma Education Coordinator's Program First Nations Public Administration First Nations Speech & Language Assistant Foundational Skills in Counselling Certificate Home Support Resident Care Aid Certificate Law Enforcement Preparation Certificate Native Adult Instructor Diploma Natural Resource Technology Certificate and Diploma Tourism Management Understanding Disabilities in Human Services Certificate <u>5 University Transfer Programs:</u> Associate of Arts Degree - Criminology Associate of Arts Degree - General Arts Associate of Arts Degree - Social Work Diploma of Academic & Indigenous Studies Associate of Arts Degree - First Nations Studies	We have a very extensive community education department where communities will partner with NVIT to deliver certificate, diploma, programs including College Readiness and bridging programs. NVIT has a Trades Mobile trailer that is taken into Aboriginal communities and students take the Bridging program within their community.	Yes	Yes	NVIT uses several delivery methods to address community capacity building. From on line learning to face to face delivery and combinations of face to face and on line learning

<p>Northwest Community College <i>Terrace, Hazelton, Houston, Kitimat, Masset, Prince Rupert, Queen Charlotte Village, Smithers & Stewart</i></p>	<p>Community Literacy and Learning (CLL) course bridges community literacy programming and helps learners develop basic skills and confidence prior to attending college. They accumulate skills and documentation transferable to college. Career and College Prep (CCP) program provides high school level courses for adult students. CCP offers Learning Skills Development and Education and Career Planning course to help students plan their future.</p>	<p>Interdisciplinary Access Programs (INTA) are 6 month full-time programs that help students meet the requirements needed to enter the college's post-secondary programs. INTA programs give students the opportunity to explore their interest in specific programs to ensure they make the best choice for their future.</p>	<p>Freda Diesing School of Northwest Coast Art: First Nations Fine Arts program, First Nations Access to Practical Nursing, Aboriginal Community Mental Health Worker Certificate, First Nations Home Support/Resident Care Attendant program merges Aboriginal Health studies and Advanced English with the Home Support/Resident Care Attendant curriculum.</p>	<p>Essential Skills for Work Certificate program; INTA; Foundation programs; Apprenticeship technical training; Special Education Assistant certificate; Aboriginal Health Access program; Aboriginal Healthcare Assistant program; Career and College Prep (CCP); Early Childhood Educators program; Culinary Arts program specializes in First Nations cuisine; Applied experiential field schools: Kitlope Field School; Aboriginal Language. Other than the community-based programs noted above, the college does not segregate the student body. As 50% of students are Aboriginal, classes are bi-cultural. NWCC has offered Carpentry Foundation, Carpentry Apprentice, Electrical, Plumbing, Heavy Equipment Operator and other trades in many of the Aboriginal communities.</p>	<p>Partnerships with Wilp Wilxo'oskwil Nisga'a Institute (WWNI), Gitxsan Wet'suwet'en Education Society, Kaay Llnagaay Heritage Centre, Kitimat Valley Institute and First Nations and Metis communities. The college, through a federated agreement with WWNI serves the Nisga'a communities of New Aiyansh, Gitwinksihlkw, Lax Galts'ap, and Gingolx in the Nass Valley.</p>	<p>Essential Skills for Work (ESWK) and Interdisciplinary programs prepare students for college and university paths; The Associate of Arts First Nations Studies offers First Nations specific courses. Freda Diesing School of Northwest Coast Art offers a fine arts certificate and diploma, both of which are transferable to university. Kitlope Field School, First Nations Public Administration.</p>	<p>NWCC is expanding online and videoconference offerings – this initiative will further enhance access to the college for those students in remote communities as well as provide an alternative learning opportunity for shift and seasonal workers.</p>	<p>Partnerships with communities, First Nations and education institutions provide access to education. To enhance degree completion, program planning is undertaken jointly by NWCC and UNBC. Agreements with other institutions allow industry specific training. Industry training partnerships have been formed with Canfor, Prince Rupert Grain, Ridley Terminals and other industries. House of Learning & Applied Research.</p>

Okanagan College <i>Kelowna, Salmon Arm, Vernon, Penticton, Oliver, Revelstoke & Summerland</i>	Adult Academic and Career Preparation Department offers programs designed for adult learners with a range of backgrounds and needs for educational upgrading. Courses provide skills, prerequisites for admission to post-secondary programs and the requirements for BC Adult Graduation Diploma. The college also helps with basic literacy and math to improve skills for work or further education.		Aboriginal Practical Nursing Program under development	Adult Basic Education in partnership with the Westbank First Nation on-reserve; Fundamental math with a long-term goal of offering English as well. Aboriginal Gateway to the Building Trades, a non-credit program, provides aboriginal students with the opportunity to gain exposure to various building trades. It also provides them with basic job preparation skills and an opportunity to prepare for the entry level trades entrance exam; We have over the course of the last 3 years occasionally offered the Residential Construction Program on reserve or in partnership with a First Nation community (e.g.. Lower Similkameen Indian Band).	Development of Memorandum of Affiliation with the En'owkin Centre (an Indigenous cultural, educational and creative arts institution in Penticton, BC). Consequently, the college will be working on developing programs in partnership with the En'owkin Centre in the near future.	Transferrable Aboriginal Studies 100 course with a second year course to be offered next year. However, it is not a full diploma program.	We have a Distance Education program that is available to all students.	
Selkirk College <i>Castlegar, Grand Forks, Kaslo, Nakusp, Nelson & Trail</i>	Mainstream Programs			Yes	Yes
