<p>Sault College of Applied Arts and Technology <i>Sault Ste. Marie</i> http://www.saultcollege.ca/academic/nativeeducation/nativeservices.asp</p>	<p>Counselling services are available through the Native Student Counsellor, while community resources are available as required. The college is currently seeking additional funding to support an Elder in Residence position. Work is required to identify the scope of this role within a unionized environment. A partnership has developed with the Batchewana First Nation to implement a year round Elders program in which community Elders work and interact with students on a weekly basis.</p>	<p>Aboriginal community members are hired as tutors in the area of Math and English. The priority is to service Aboriginal students, however tutoring is available to all students.</p>	<p>The Enji-Maawnjiding (Where We Gather) Native Student Centre is adjacent to the dedicated Native language room where offices for faculty and staff and a kitchen are available.</p>	<p>The purpose of the Sault College Aboriginal Student Nursing Association is to mentor and support both Aboriginal and non-Aboriginal students. One of the mandates of the association is to give back to the Aboriginal community through various projects and volunteerism. The establishment of the association has provided the opportunity for students enrolled in the BsCN program to develop a mentorship program in which incoming first year students were paired with a senior student within the program.</p>	<p>Garderie: Daycare is available through mainstream services, and support to find outside daycare is available through departmental staff. Foodbank: Foodbank is available through mainstream services. Transport: Transportation is available through the Native Student Counsellor and mainstream services. Logement: Housing support is available through the Native Student Counsellor and departmental staff. Aide financière: Native Education & Training (scholarships & bursaries). Autre: Liaising/Advocacy is available through the Native Student Counsellor and departmental staff/faculty, Native-specific cultural events available through the Native Student Events Officer and the Native Student Council. The Sacred Fire Arbour is located on-campus outside of Enji Maawnjiding. The Aboriginal Role Model Program is delivered via videoconferencing for students living in remote/rural areas to convey the key messages that education is a viable option for them, and reinforcing the message that there are certain responsibilities in attending post-secondary education.</p>	<p>Career counselling is available through the college's mainstream services. The Department maintains a bulletin board for Native-specific postings.</p>
<p>Seneca College <i>Toronto, Markham, King City, Newmarket, North York & Scarborough</i> http://www.senecac.on.ca/student/first-peoples/</p>	<p>Aboriginal Counsellors are available, one of which is an Elder. The college makes referrals to the community if it cannot deal with the situation using brief therapy.</p>	<p>The counsellors have made arrangements with the Learning centre for directed learning and increased academic supports.</p>	<p>The dedicated Aboriginal centre houses a computer lab, two counsellor offices and a resource library.</p>	<p>The college is in the midst of setting up a mentorship program.</p>	<p>Garderie: Daycare is available, yet there are no specific spots for Aboriginal students nor are there targeted subsidy spots. A Native-run daycare is close to the college, however the subsidy list is extremely long in the GTA. Banque alimentaire: A foodbank is available, but is not just targeted to Aboriginal students. Logement: Counsellors assist with housing support. Aide financière: Aboriginal Student Funding.</p>	<p>Counsellors and Career Services work together to assist with career counselling. Employment support is mostly through the transition year program.</p>
